

Mid-Atlantic Ocean Data Portal Tribal Data Resources

MAY 17, 2023

Karl Vilacoba
MARCO Portal Project Manager,
Communications Director,
Monmouth University Urban Coast Institute

The Indigenous Nations, Communities and Cultures Map Collection

Includes six interactive maps to assist with ocean planning and improve awareness of region's American Indian heritage.

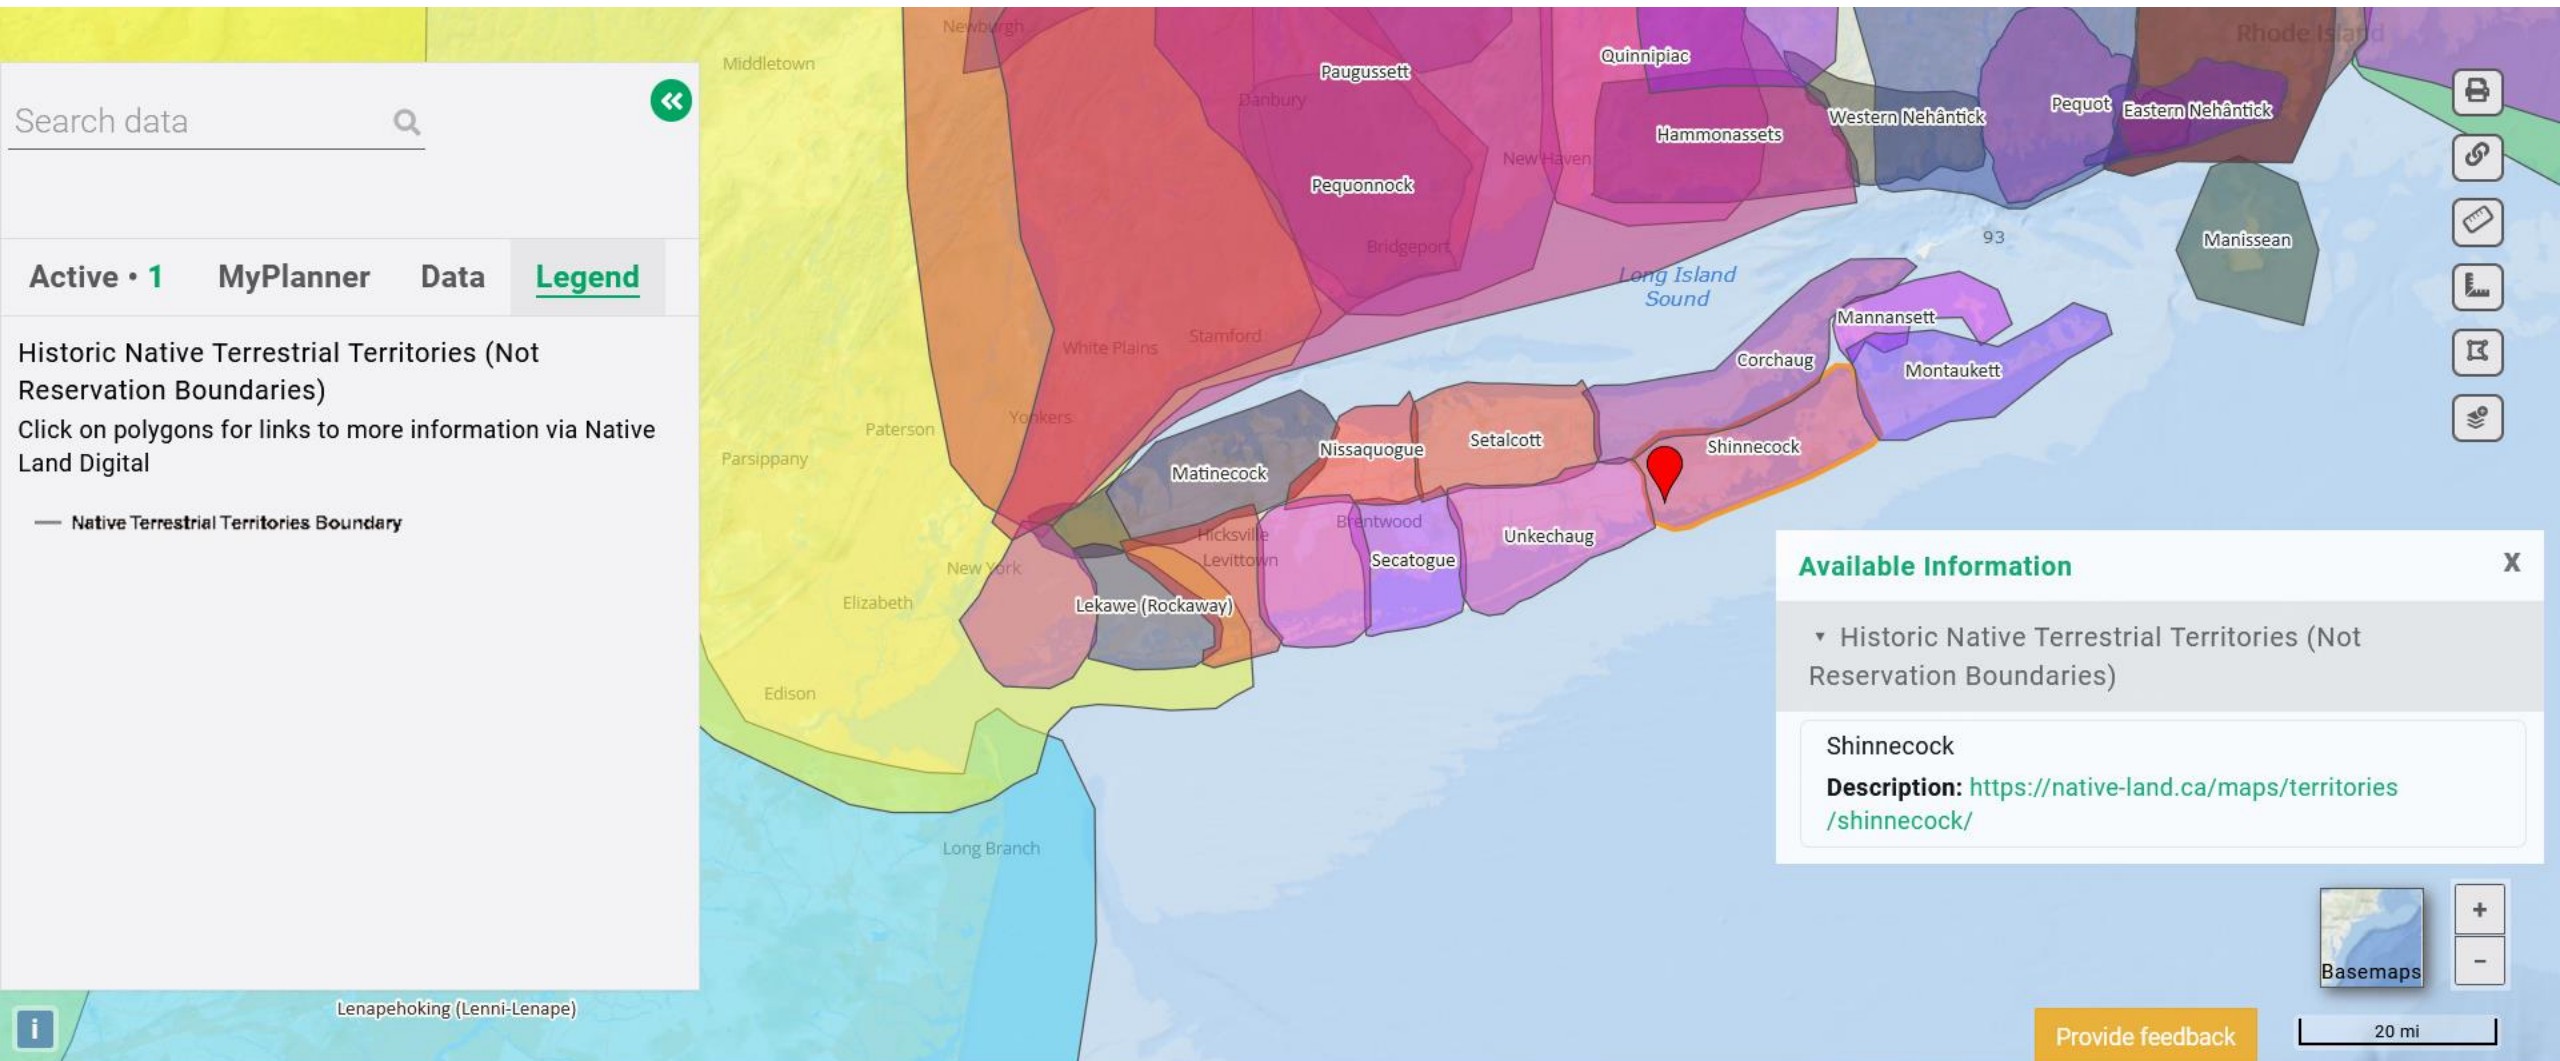

Two maps created by the Indigenous-led nonprofit Native Land Digital ([Native-Land.ca](https://native-land.ca))

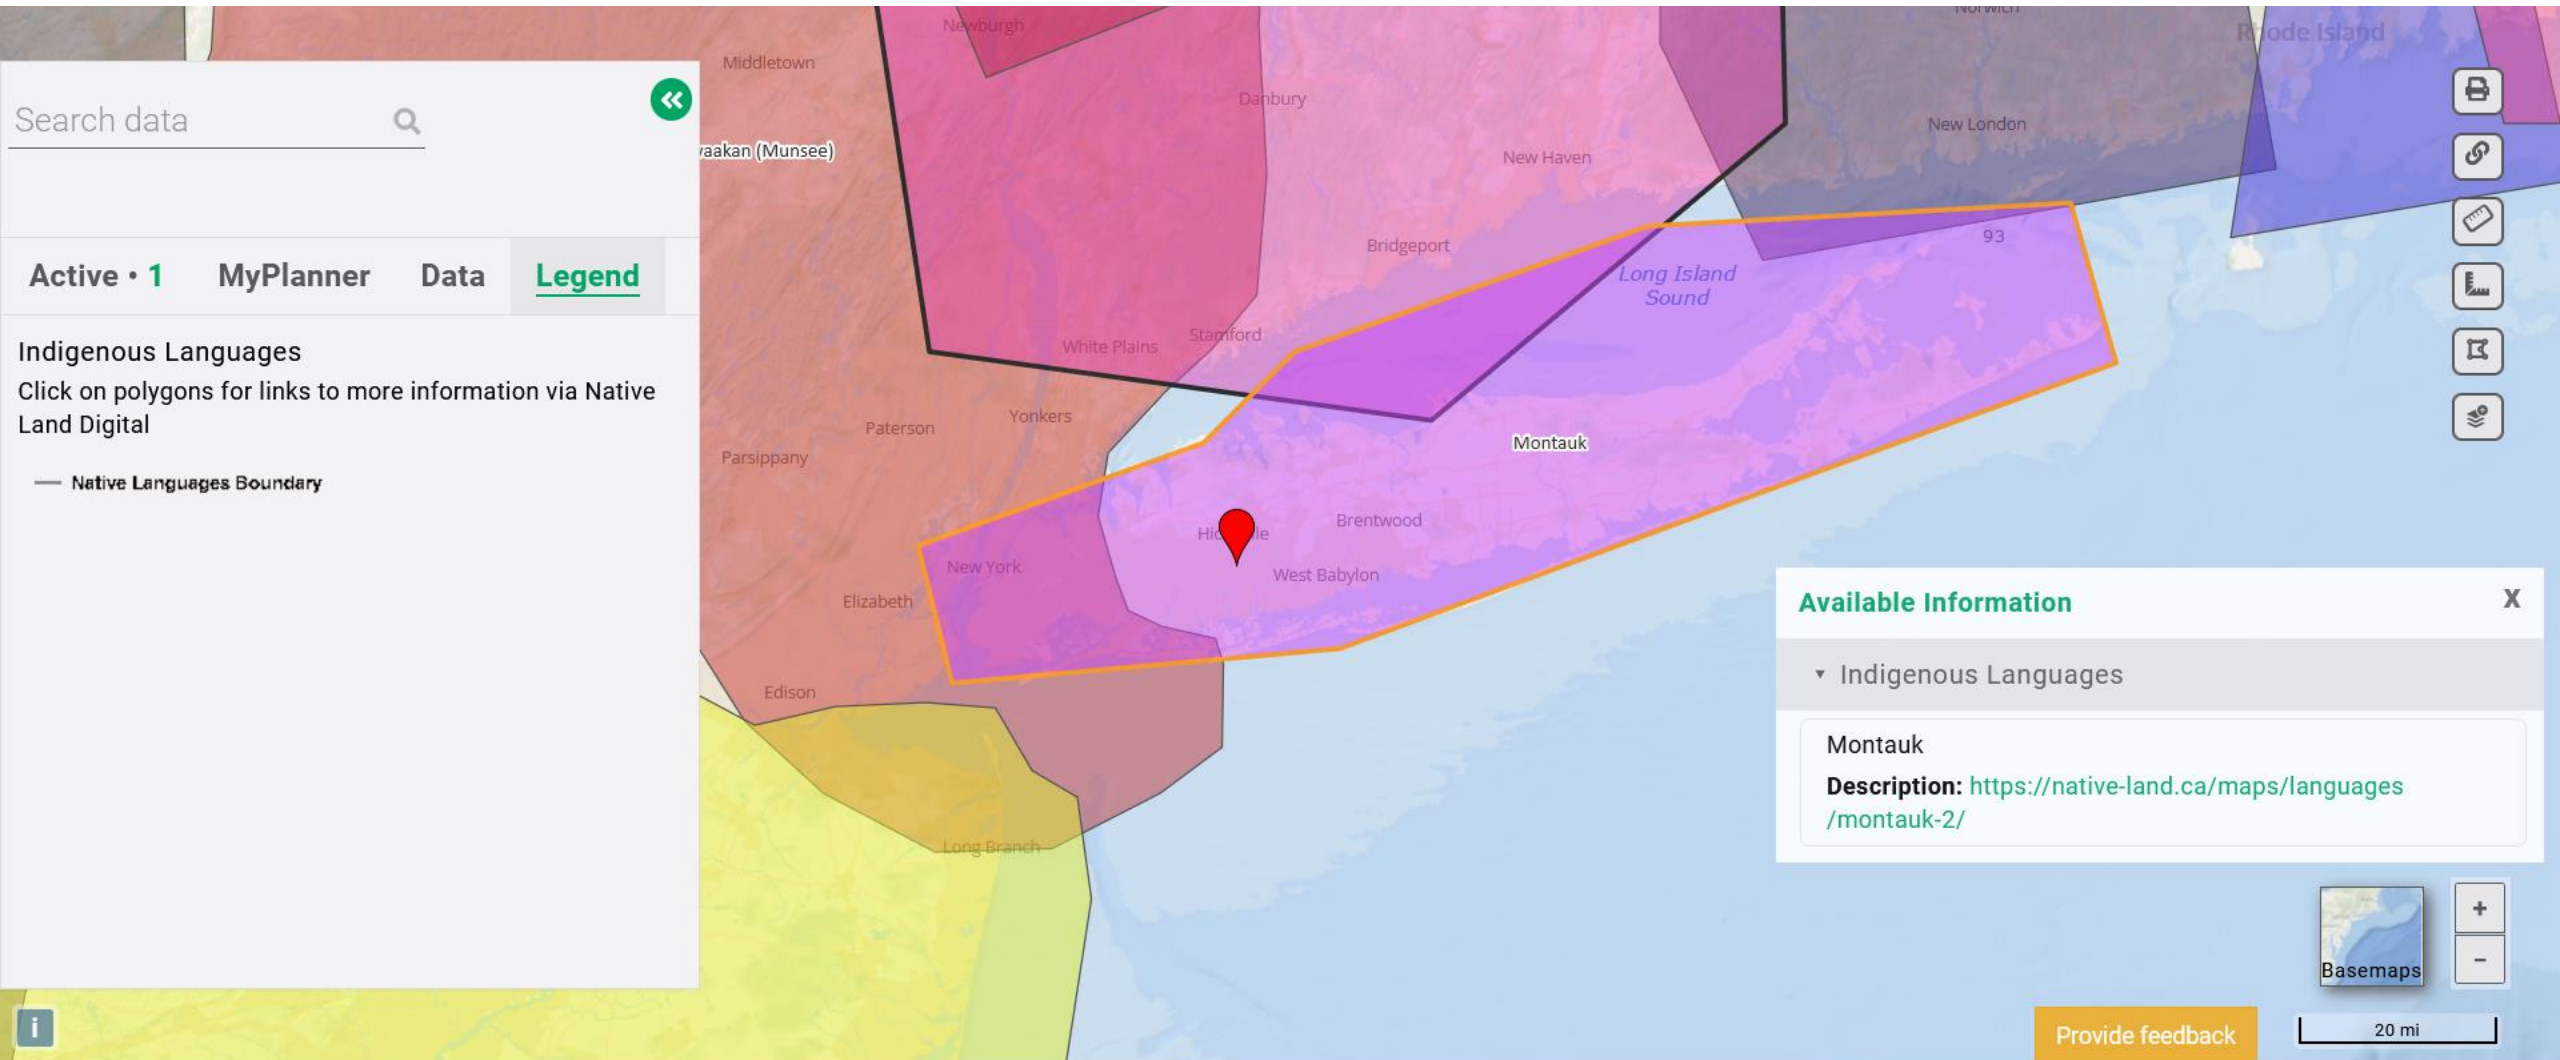

Three maps based on federal data plus the Portal's previously published map showing headquarters of Mid-Atlantic Tribes

Historic Native Terrestrial Territories

Portal 'Ocean Stories'

The screenshot displays the MARCO Mid-Atlantic Ocean Data Portal. The top navigation bar includes the MARCO logo, the text "MID-ATLANTIC OCEAN DATA PORTAL", and links for MAP, NEWS, DATA, HELP, and a user profile for KARL VILACOB. A search icon is also present. The main content area features a map of the Mid-Atlantic region, including parts of Virginia, North Carolina, South Carolina, Georgia, Florida, and the surrounding waters. A video player is overlaid on the map, showing a man in a dark jacket with rainbow patches and a name tag that reads "Chief". The video title is "The Lenape Tribe's Relationship with the Ocean". Below the video player, there is a "Customizable" button. The map background shows various locations like Aspen Hill, Bowie, Annapolis, Washington, Alexandria, Maryland, Easton, Delaware, Dover, Wildwood NJ, Cape May NJ, Ocean City MD, Salisbury, and California. A scale bar indicates 10 miles. A "learn more" link is visible at the bottom center of the map area.
